

RT-50
POSI-TRACK®

ECONOMICAL MEETS VERSATILE.

Introducing the new RT-50 Posi-Track® compact track loader. This nimble mid-size machine features serious performance for its weight and size, making it an ideal machine for a variety of jobs and ground conditions. Featuring best-in-class ground pressure, ground clearance and comfort, the RT-50 allows operators to do more work in more places.

// INCREDIBLE PERFORMANCE / EASY TRANSPORTABILITY / OUTSTANDING RELIABILITY
